

SCHEDULE A

EquityZen Growth Technology Fund II LLC - Series 13

1. **Schedule to the Limited Liability Company Agreement.**

1.1. This Schedule, applicable to interests of EquityZen Growth Technology Fund II LLC - Series 13 (the "Series") of EquityZen Growth Technology Fund II LLC (the "Company"; and the Series interests in the Company, the "Series Interests"), supplements and amends the Limited Liability Company Agreement of the Company dated September 13, 2024 (the "Operating Agreement"), and is incorporated and made a part thereof. To the extent that any term of this Schedule conflicts with the Operating Agreement, this Schedule shall govern, solely with respect to the Series Interests.

1.2. Capitalized terms used but not defined herein shall have the meanings ascribed to those terms in the Operating Agreement.

2. **Designation.** The Manager, pursuant to the authority granted by Article V of the Operating Agreement, has authorized the issue of Series Interests and has designated the terms and conditions thereof as set forth herein.

3. **Classes.** One class of Series Interests has been established. Further classes may be designated by the Manager through a supplement to, or amendment of, this Series Schedule.

4. **Purpose.**

4.1. The purpose of the Company with respect to the Series shall be: (i) to acquire investments that derive their value directly or indirectly based upon the value of securities issued by Anthropic, PBC (the "Underlying Issuer") through (a) investments by the Series into one or more pooled investment vehicles, managed accounts or special purpose vehicles ("Investee Vehicles") that are managed by one or more third party managers ("Investee Vehicle Securities") whereby such Investee Vehicle holds, or will with the proceeds of the Series' investment acquire, securities issued by the Underlying Issuer, or (b) privately negotiated transactions to acquire shares or other securities of the Underlying Issuer ("Direct Investments", and collectively with the Investee Vehicle Securities, the "Underlying Securities"), (ii) to hold the Underlying Securities and (iii) to dispose of the Underlying Securities that are either held directly by the Series or are received through distributions of Underlying Securities by the Investee Vehicles.

4.2. The Underlying Securities will be acquired by the Company pursuant to one or more agreements (each, an "Underlying Agreement") with one or more Persons holding such Underlying Securities or that will acquire Underlying Securities with the proceeds of the investment by the Series (each such Person, a "Seller").

4.3. The initial date on which the Company (on behalf of the Series) accepts and countersigns Subscription Documents and receives the cash proceeds of such subscription from one or more Persons for the purpose of enabling the Series to acquire any Underlying Securities is referred to as the "Initial Closing". Subsequent to the Initial Closing, the Company may accept and

countersign additional Subscription Documents and receive additional cash proceeds of such subscription from one or more Persons for the purpose of enabling the Series to acquire any additional Underlying Securities (each, a “Subsequent Closing” and, together with the Initial Closing, a “Closing”). Following each Closing, the Capital Account Sharing Percentages of all Series Members holding Series Interests will be adjusted to correspond to their pro rata portion of the aggregate Subscription Amounts accepted by the Series.

4.4. For the avoidance of doubt, the Company will not acquire (in respect of the Series) any assets other than the Underlying Securities and any securities or other assets into which such Underlying Securities may be converted, exchanged or in respect of which a distribution of other securities is made to the Company (in respect of the Series).

4.5. The Company may engage in any activity in which limited liability companies may engage under the Act that are in furtherance of, or incidental to, the purposes set forth in this Section 4.

5. Subscription and Closing Mechanics.

5.1. Each Person subscribing for Series Interests shall submit Subscription Documents to the Company and shall pre-fund the full amount of their proposed Capital Contribution set forth in such Person’s Subscription Documents (the “Subscription Amount”). The date each Person submits their Subscription Documents to the Company and pre-funds their Subscription Amount shall be referred to hereunder as their “Subscription Date”. In anticipation of each Closing, the Manager may schedule different Subscription Dates for each Person.

5.2. As of each Person’s Subscription Date through the date of their corresponding Closing, the Manager shall cause each Person’s Subscription Amount to be deposited and held in escrow by the escrow agent, currently SouthState Bank, N.A. (the “Escrow Agent”), pursuant to an agreement by and among the Escrow Agent, EquityZen Securities LLC (“EquityZen Securities”), and the Series (the “Escrow Agreement”). The Company shall make a copy of the Escrow Agreement available to subscribers to Series Interests upon request.

5.3. A Closing will occur as of the date upon which (i) each Person has pre-funded their Subscription Amount, and (ii) the Subscription Documents have been countersigned by the Manager and any conditions precedent included in the Underlying Agreement with respect to the purchase of the Underlying Securities by the Series, as more particularly set forth in the Escrow Agreement (the “Closing Conditions”), have been satisfied. At each Closing, the full amount of Subscription Amounts accepted by the Manager (in respect of the Series) will be disbursed to the Company (in respect of the Series). In the event a Closing does not occur due to a failure to achieve the Closing Conditions, the Escrow Agent will refund the Subscription Amounts submitted by each Person to such Person without deduction, setoff or payment of interest in accordance with the Escrow Agreement.

5.4. As of each Person’s Subscription Date through the date of their corresponding Closing, Subscription Amounts will be maintained by the Escrow Agent in an omnibus account (the “Omnibus Account”). The Escrow Agent may credit the Omnibus Account with interest or other amounts based on the aggregate balance of the Omnibus Account (“Account Credits”). Any

Account Credits will be paid by the Escrow Agent to the Company for the benefit of the Manager as consideration for its services in establishing and managing the Series and/or the reimbursement of costs advanced by the Manager. Notwithstanding Section 6.1(a) of the Operating Agreement, the Manager shall be entitled to utilize amounts received pursuant to such Account Credits to pay any fees, expenses, costs or other amounts due and owing to any Person in connection with the operation of the Company, the Series, any other series of the Company or the Manager's general operations. No Series Member shall participate in any Account Credits for any purpose. For the avoidance of doubt, even if a Closing does not occur due to the failure to achieve the Closing Conditions, any Account Credits generated by the Company based (in part) of the Subscription Amounts will be retained by the Company for the benefit of the Manager.

5.5. Following each Closing, the Manager reserves the right to negotiate and finalize the Underlying Agreement in its sole discretion for the purpose of acquiring the Underlying Securities on behalf of the Series. Once the Underlying Agreement is countersigned by the Manager, the Capital Contributions of the Series may be disbursed pursuant to the Underlying Agreement to the third-party manager of the Investee Vehicle that will be acquiring the Underlying Securities on behalf of the Series, the Underlying Issuer, or any other third party for the purpose of the Series acquiring the Underlying Securities.

5.6. Each Person whose subscription for a Series Interest has been paid in full and accepted as of a Closing shall become a "Series Member" of the Company— and shall be shown as such on the books and records of the Company maintained in respect of the Series— upon the execution and delivery by (or, pursuant to a power of attorney, on behalf of) such Person and the Manager of counterparts of their Subscription Documents.

5.7. Persons that are admitted to the Company as Series Members shall have the rights and be subject to the obligations applicable to Series Members as set forth in the Operating Agreement and this Schedule and pursuant to applicable law, including without limitation the Delaware Act.

6. Fees and Third Party Expenses.

6.1. *Sales Fee.* Subscription to the Series Interests requires the payment of a Sales Fee (as defined below) to EquityZen Securities by each Series Member. The payment of the Sales Fee to EquityZen Securities by each such Series Member shall be in addition to such Series Member's Capital Contribution to the Series and shall be due at the same time upon which a Series Member makes a Capital Contribution. For the avoidance of doubt, the payment of the Sales Fee by the Series Member to EquityZen Securities shall not be treated as a Capital Contribution to the Company or to the Series for purposes of the Operating Agreement and this Schedule and, accordingly, shall neither increase nor reduce such Series Member's Capital Account. In the event a Closing does not occur due to a failure to achieve the Closing Conditions, EquityZen Securities will refund the Sales Fee paid by each Person to such Person without deduction, setoff or payment of interest. For the purposes hereof, "Sales Fee" means the sales commission payable to EquityZen Securities by each Series Member, as set forth in such Series Member's Subscription Agreement.

6.2. *Third-Party Management Fees and Compensation.* The Series' investments in Investee Vehicles may entail various fees paid to one or more third parties, including brokerage

commissions, upfront or recurring management fees of third party managers of Investee Vehicles, reimbursement of any operating expenses of the Investee Vehicle or its third party manager, and/or performance fees (or “carried interest”) allocations to such third party managers of Investee Vehicles. Any such third party fees or other compensation may reduce the yield (if any) on investment to Series Members. These third party fees and compensation (if any) applicable to this Series are set forth in the term sheet, offering document, and/or other offering materials applicable to this Series.

7. Amendments. The Manager, without requiring the consent of any Series Member, may make any amendment to this Schedule to ensure that the Sales Fee conforms to any applicable requirements of Law (whether pursuant to a requirement of the Code, the Securities and Exchange Commission, the Financial Industry Regulatory Authority or another Governmental Entity, or otherwise).

8. Third-Party Beneficiaries. EquityZen Securities is an intended third-party beneficiary of Section 6.1. There are no other third-party beneficiaries to this Schedule.
